**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF PENNSYLVANIA
PHILADELPHIA DIVISION**

**THE INDEPENDENCE PROJECT, INC.,
a New Jersey Non-Profit Corporation,**

Plaintiff,

vs.

Case No.:

MAURICE S. HEPPS, Individually,

Defendant.

COMPLAINT

Plaintiff, THE INDEPENDENCE PROJECT, INC., a New Jersey Non-Profit Corporation, on its behalf and on behalf of all other mobility-impaired individuals similarly-situated, (sometimes referred to as “Plaintiff”), hereby sues the Defendant, MAURICE S. HEPPS, Individually, (herein sometimes referred to as “Defendant”), for Injunctive Relief, and attorney’s fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 USC § 12181 et seq. (“ADA”).

1. Plaintiff, THE INDEPENDENCE PROJECT, INC., is a non-profit corporation formed under the laws of the State of New Jersey and maintains its principal office at 1002 Central Avenue, New Providence, NJ 07974-1030, in the County of Union.
2. The 1937-1941 Macdade Blvd Shopping Center, is located at 1937 – 1941 Macdade Boulevard, Woodlyn, PA 19094 in the County of Delaware.
3. Venue is properly located in the Eastern District of Pennsylvania because venue lies in the judicial district of the property situs. The Defendant's property is located in and does business within this judicial district.

4. Pursuant to 28 USC § 1331 and 28 USC § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 USC § 12181 et seq. See, also, 28 USC § 2201 and § 2202.
5. Plaintiff, THE INDEPENDENCE PROJECT, INC., is a non-profit New Jersey corporation. Members of this organization include individuals with disabilities as defined by the ADA, and are representative of a cross-section of the disabilities to be protected from discrimination by the ADA. The purpose of this organization is to represent the interest of its members by assuring places of public accommodation are accessible to and usable by the disabled and that its members are not discriminated against because of their disabilities. THE INDEPENDENCE PROJECT, INC. and its members have suffered and will continue to suffer direct and indirect injury as a result of the Defendant's discrimination until the Defendant is compelled to comply with the requirements of the ADA. One or more of its members has suffered an injury that would allow it to bring suit in its own right. THE INDEPENDENCE PROJECT, INC. has been discriminated against because of its association with its disabled members and their claims.
6. DENNIS MAURER is a New Jersey resident, and qualifies as an individual with disabilities as defined by the ADA. Mr. Maurer has multiple sclerosis and is mobility impaired, and uses a wheelchair for mobility. Mr. Maurer is a member of the Plaintiff organization, THE INDEPENDENCE PROJECT, INC., discussed above in paragraph 5.
7. Mr. Maurer has been to the subject property several times. The barriers to access as set forth herein have endangered his safety. He plans to return to the subject property in the

near future when it is safe for Mr. Maurer to travel considering his physical condition and COVID-19. He plans to return to the subject property not only as a customer, but also to confirm that the subject facility is brought into compliance with the ADA. Mr. Maurer has been a resident of South Jersey his entire life, and regularly travels to Philadelphia to see friends, to eat, to shop and to go to shows, concerts and sporting events, and to go to Parx Casino and Race Track. Mr. Maurer is an avid horseman, and is a retired thoroughbred trainer in the state of New Jersey. He trained horses at Philadelphia Park in the 80's and 90's.

8. Defendant owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. Defendant is responsible for complying with the obligations of the ADA. The place of public accommodation that the Defendant owns, operates, leases or leases to is known as 1937-1941 Macdade Blvd Shopping Center, and is located at 1937-1941 Macdade Blvd, Woodlyn, PA 19094.
9. THE INDEPENDENCE PROJECT, INC. and DENNIS MAURER have a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to the property as described but not necessarily limited to the allegations in paragraph 11 of this Complaint. Plaintiff has reasonable grounds to believe that they will continue to be subjected to discrimination in violation of the ADA by the Defendant. DENNIS MAURER desires to visit 1937-1941 Macdade Blvd Shopping Center not only to avail himself of the goods and services available at the property but to assure himself that the property is in compliance with the ADA so that he

and others similarly-situated will have full and equal enjoyment of the property without fear of discrimination.

10. The Defendant has discriminated against the individual Plaintiff and members of the corporate Plaintiff organization by denying them access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 USC § 12182 et seq.
11. The Defendant has discriminated, and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, inter alia, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendants have 10 or fewer employees and gross receipts of \$500,000 or less). A preliminary inspection of the 1937-1941 Macdade Blvd Shopping Center has shown that violations exist. These violations which Dennis Maurer personally encountered or observed, include, but are not limited to:

Parking and Exterior Accessible Route

- a) 1937-1941 Macdade Blvd provides accessible parking that lacks identification signage, contains spaces which lack access aisles and fails to provide an accessible route from parking, violating Sections 402 and 502 of the 2010 Accessibility Standards. These conditions during numerous visits caused Mr. Maurer to double park to ensure he could exit/enter his van and prevented Mr. Maurer from unloading from his van freely and safely.
- b) 1937-1941 Macdade Blvd fails to provide the required amount of compliant accessible parking spaces, violating Section 502 of the 2010 Accessibility Standards. The lack of accessible parking makes Mr. Maurer park in open areas so he can unload freely and safely from his vehicle.
- c) 1937-1941 Macdade Blvd fails to connect the accessible route throughout the shopping center, violating Section 402 of the 2010 Accessibility Standards. Mr. Maurer was forced to travel in the traffic area to get to certain tenants.
- d) The exterior accessible route from parking spaces at 1937-1941 Macdade Blvd contains severe abrupt changes of level greater than ¼ inch and lacks a direct route to ramps or curb ramps, violating Section 402 of the 2010 Accessibility Standards. Mr. Maurer was

forced to travel in the traffic area of the center while avoiding abrupt changes of level to get to entrances.

- e) The exterior accessible route at 1937-1941 Macdade Blvd contains severe abrupt changes of level greater than $\frac{1}{4}$ inch and cross slopes greater than 2.0% along the sidewalk, violating Section 402 of the 2010 Accessibility Standards. Mr. Maurer was forced to travel in the traffic area of the center while avoiding abrupt changes of level and cross slopes.
- f) 1937-1941 Macdade Blvd fails to provide a safe accessible route to the adjacent bus stop, street or sidewalk, violating Section 206.2.1 of the 2010 Accessibility Standards. The lack of an accessible route prevents the option of public transportation for Mr. Maurer.

Access to Goods and Services

- g) 1937-1941 Macdade Blvd including Liberty Steaks/Hoagies, Brewers Outlet, Pizzaz Pizza and Salons fail to provide lowered counters and certain elements are impeded by goods, violating Sections 308 and 904 of the 2010 Accessibility Standards. Mr. Maurer required assistance while checking out at 1937-1941 Macdade Blvd.
- h) Entering tenants is impeded by abrupt changes of level at the base and/or slopes beyond limits, violating Section 404 of the 2010 Accessibility Standards. Abrupt changes of level can cause damage to Mr. Maurer's wheelchair.
- i) Liberty Steaks/Hoagies and Pizzaz Pizza and other restaurants fail to provide accessible dining tables for those in wheelchairs, violating Section 902 of the 2010 Accessibility Standards. Mr. Maurer was unable to dine comfortably due to a lack of accessible tables.

Restrooms

- j) Restrooms at Liberty Steaks/Hoagies, Pizzaz Pizza and Salons were reported to be unsafe for use by the plaintiff. Inspection revealed Mr. Maurer was unable to use the restrooms safely due to a lack of accessibility. Including, inaccessible water closets which lack proper controls and wheelchair maneuvering space violating Section 601 of the 2010 Accessibility Standards.
- k) Restrooms at Liberty Steaks/Hoagies, Pizzaz Pizza and Salons provide dispensers beyond reach of Mr. Maurer and are inaccessible to the plaintiff, violating Section 308 of the 2010 Accessibility Standards.
- l) Lavatories at Liberty Steaks/Hoagies, Pizzaz Pizza and Salons lack knee clearance and accessibility preventing Mr. Maurer from freely accessing the lavatory, violating Section 606 the 2010 Accessibility Standards.
- m) Liberty Steaks/Hoagies, Pizzaz Pizza and Salons provide restrooms that contain improper centerlines for the water closets and flush controls mounted on the wall side, violating

Section 604 of the 2010 Accessibility Standards. Mr. Maurer was unable to access flush controls while in the restrooms due to improper location.

- n) Using restrooms doors Liberty Steaks/Hoagies, Pizzaz Pizza and Salons is impeded by round door knobs, improper signage and/or a lack of maneuvering clearance, violating Section 404 of the 2010 Accessibility Standards. Lack of latch side clearance, stored goods and maneuvering space impede Mr. Maurer from easily accessing doors.

Maintenance

- o) The accessible features of the facility are not maintained, creating barriers to access for the Plaintiff, as set forth herein, in violation of 28 CFR 36.211.
12. All of the foregoing cited violations are violations of both the 1991 Americans with Disabilities Act Guidelines (ADAAG) and the 2010 Standards for Accessible Design, as adopted by the Department of Justice.
13. The discriminatory violations described in paragraph 11 are not an exclusive list of the Defendant's ADA violations. Plaintiff requires the inspection of the Defendant's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The members of the Plaintiff group, including Dennis Maurer, and all other individuals similarly-situated, have been denied access to, and have been denied the benefits of services, programs and activities of the Defendant's buildings and its facilities, and have otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above. The individual Plaintiff, the members of the Plaintiff group and all others similarly-situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant's place of

public accommodation in order to determine all of the areas of non-compliance with the Americans with Disabilities Act.

14. Defendant has discriminated against the individual and corporate Plaintiffs by denying them access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility in violation of 42 USC § 12181 *et seq.* and 28 CFR. 36.302 *et seq.* Furthermore, the Defendant continues to discriminate against the Plaintiff, and all those similarly-situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.
15. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Considering the balance of hardships between the Plaintiff and Defendant, a remedy in equity is warranted. Furthermore, the public interest would not be disserved by a permanent injunction. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendant pursuant to 42 USC § 12205 and 28 CFR 36.505.
16. Defendant is required to remove the existing architectural barriers to the physically disabled, when such removal is readily achievable for its place of public accommodation that has existed prior to January 26, 1992, 28 CFR 36.304(a); in the alternative, if there

has been an alteration to Defendant's place of public accommodation since January 26, 1992, then the Defendant is required to ensure to the maximum extent feasible, that the altered portions of the facility are readily accessible to and useable by individuals with disabilities, including individuals who use wheelchairs, 28 CFR 36.402; and finally, if the Defendant's facility is one which was designed and constructed for first occupancy subsequent to January 26, 1993, as defined in 28 CFR 36.401, then the Defendant's facility must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

17. Notice to Defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendants have 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiffs or waived by the Defendants.
18. Pursuant to 42 USC § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendant to alter the 1937-1941 Macdade Blvd Shopping Center to make those facilities readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA; or by closing the facility until such time as the Defendant cures its violations of the ADA.

WHEREFORE, Plaintiff respectfully request:

- a. The Court issue a Declaratory Judgment that determines that the Defendant at the commencement of the subject lawsuit are in violation of Title III of the Americans with Disabilities Act, 42 USC § 12181 et seq.

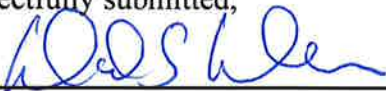

b. Injunctive relief against the Defendant including an order to make all readily achievable alterations to the facility; or to make such facility readily accessible to and useable by individuals with disabilities to the extent required by the ADA; and to require the Defendant to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such steps that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

c. An award of attorney's fees, costs and litigation expenses pursuant to 42 USC § 12205.

d. Such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act. The Order shall further require the Defendant to maintain the required assessable features on an ongoing basis.
